

Jennifer Field

A Timeless Journey: A Miracle and a Rebirth

Have you ever met someone who stopped you dead in your tracks? Who lost everything and came roaring back? Jennifer Field will change your life and touch your heart. Her story and life lessons will inspire you to overcome the hardships that we face in today's world.

At age 17, Jennifer had her sights set on the Olympics when it all came crashing down following a near fatal car accident that left her comatose and brain damaged.

Unable to walk, talk, or eat on her own, over the next ten years Jennifer battled physical, mental and emotional obstacles to regain her physical independence, graduate college and become a national speaker.

Keynote speaker for:

CORPORATIONS

Jennifer's gripping keynote inspires leaders, motivates sales teams and drives home the imperative of *never giving up*.

HIGH SCHOOLS & UNIVERSITIES

Jennifer's "no holds barred" candor instills confidence and ignites a burning drive that says "*If she can do it, I can, too!*"

ASSOCIATIONS

Entertaining and inspirational, Jen's audiences emerge energized and charged to transcend the obstacles before them.

CIVIC AND RELIGIOUS GROUPS

Jen delivers her message of hope and determination for anyone who has lost strength and will, and re-enforces those ideals for everyone.

*Charming... Beguiling... I highly recommend
Jennifer's keynote..."*

Henry Betts, M.D., Past Medical Director/President, Rehabilitation Institute of Chicago

Jennifer's keynote speech inspires you to
Never give up, never say never ✨ Redirect your goals, find a new path
Value the gift of life ✨ Find your blessing in disguise ✨ Succeed!

*Jennifer has performed her autobiographical one-woman show to **RAVE REVIEWS** across the country.*

“A story of courage and tenacity...”

Robert A. Williams, Executive Director
Neuro-Optometric Rehabilitation Association

“Easily one of our best presentations in the twenty-five years we've been holding the conference!”

Steve Wade, Executive Director
Brain Injury Association of New Hampshire

“An excellent opportunity for people to comprehend the options for crafting a meaningful and productive life.”

Felise S. Zollman, M.D., Medical Director
Brain Injury Program, Rehabilitation Institute of Chicago
